I think you should be such a person, [CMT-Level-I Certification Materials](#) Only by doing so can you fulfill your potential to showcase your skills.

NEW QUESTION: 1

You administer the Office 365 environment for a company that has offices around the world. All of the offices use the same Office 365 tenant.

You need to ensure that all users can access the services that are available in their regions.

Which setting or service should you update?

- A. Rights management
- B. User licenses
- C. Service usage address
- D. User location settings

Answer: D

Explanation:

The User Location settings will allow you to set sign-in status and user locations for all the users that are on your network notwithstanding the physical location where they find themselves.
