NEW QUESTION: 1

Joe, a security analyst, asks each employee of an organization to sign a statement saying that they understand how their activities may be monitored. Which of the following BEST describes this statement? (Select TWO).

- A. Acceptable use policy
- B. Email policy
- C. Privacy policy
- D. Security policy

E. Risk acceptance policy

Answer: A,C

Explanation:

Privacy policies define what controls are required to implement and maintain the sanctity of data privacy in the work environment. Privacy policy is a legal document that outlines how data collected is secured. It should encompass information regarding the information the company collects, privacy choices you have based on your account, potential information sharing of your data with other parties, security measures in place, and enforcement.

Acceptable use policies (AUPs) describe how the employees in an organization can use company systems and resources, both software and hardware.
